

— SPONSORSHIP GUIDE —

Next-Generation Cell & Gene Therapy Conference

June 2-4, 2027 | Boston, MA

•  nexcgt.ircconferences.net

•  secretary@nexcgt.org

Sponsorship & Exhibition Opportunities

Join industry leaders, innovators, clinicians, researchers, investors, and decision-makers at NexCGT-2027, a premier international forum dedicated to accelerating the development, manufacturing, commercialization, and clinical adoption of next-generation cell and gene therapies.

The conference will bring together stakeholders from across the advanced therapies ecosystem, including:

- Biotechnology and pharmaceutical companies
- Cell and gene therapy developers
- CDMOs and manufacturing solution providers
- CROs and clinical research organizations
- Vector and genome engineering technology companies
- Regulatory and quality experts
- Healthcare providers and translational research centers
- Venture capital firms, investors, and startup innovators
- Academic institutions and research organizations

NexCGT-2027 serves as a strategic platform for scientific exchange, business development, technology showcase, investment discussions, and partnership opportunities that drive innovation from discovery to commercialization.

Why Sponsor NexCGT-2027?

Position your organization at the forefront of one of the fastest-growing sectors in life sciences and advanced therapeutics.

Connect with Key Decision Makers

- Senior executives from biotech and pharmaceutical companies
- Clinical leaders and physician-scientists
- Manufacturing, process development, and CMC professionals
- CDMOs, CROs, and supply chain partners
- Regulatory affairs and market access experts
- Venture capital firms and strategic investors
- Academic innovators and translational research leaders

Expand Your Business Opportunities

- Showcase products, technologies, and services to targeted audiences
- Generate high-quality sales leads and partnership opportunities
- Strengthen brand visibility among industry leaders
- Engage with emerging biotech companies and startups
- Build collaborations across academia, healthcare, and industry
- Identify investment, licensing, and commercialization opportunities

Why Boston?

Boston is one of the world's leading biotechnology and life sciences hubs, home to a thriving ecosystem of biotech companies, pharmaceutical leaders, academic medical centers, research institutions, and venture capital firms, making it an ideal location for strategic networking and business growth.
